HL Display part of Europe's Most Dynamic Entrepreneurs, The Europe's 500

For the fifth consecutive year HL Display has been listed on Europe's 500 and this year the company was ranked on 220th place (255th place previous listing). Since 1996 HL has grown the number of employees by 146% and created 508 new jobs in the group. The turnover growth for the same period was 201%.

The Europe's 500 is an annual pan-European, cross-sector Listing honouring 500 of Europe's most outstanding companies. The 2002 Listing identified and selected 500 fast-growing, independent and job-creating companies based on their performance between the beginning of fiscal year 1996 and the end of fiscal year 2001. The companies listed have created in excess of 277.000 jobs across Europe in the last five years.

HL Display offers the retail trade and its suppliers innovative In-store Communication and Merchandising solutions based on competence and profound customer knowledge. The company is represented in over 35 countries around the world and manufacturing takes place in seven factories in Sweden, the UK and USA. Founded in 1954, group sales were MSEK 1 072 in year 2001. The company is quoted on the Stockholm Stock Exchange and employs just over 850 people.
